Blakely Ga Nov 8 – 1928.

Dear Cousin Lillian – Recieved your letter and will tell you the best I can about my Collier ancestors – My Great Grandfather Benjamin Collier of Chesterfield Co Virginia was my Revolutionary ancestor. He married Mary Dahony of Virginia, had one son who was my Grand Father, he moved to Ga, He had four sons Benjamin who was my Father, Jessie who also lived in Ga (he's grand children live in Arlington now) Thomas, and James, these two moved to Texas before the Civil war, I don't remember their childrens names – I wish you would come over and have you read our History I would like to see you and Dolly – it doesn't gene any

names of children or
Grand Children, There is
a family of Collins in
Barnsville who has written
me about the Collins history.
Am enclosing his card – he
may be the one you want. –
My Grandfather was one of
the first – settlers of Blakely –
Love for you and Dolly –
Fondly
Fannie Collin Beauchamp
